NEWPORT, R.I., WALK WITH A VIEW

Cover- 40 steps and the tidal pool at the bottom off the Cliff Walk is one of the very popular spectacles that attract people by the thousands each year.

above .. The backyard of Marble House is visible from the walk as are most of the great 1900s mansions of the very rich and famous. The tycoons of the 1800s enjoyed the very view that is available to every stroller of today, except that it cost them millions and it costs us nothing but the energy to walk and enjoy this super coast.

Mattapoisett Special Town Meeting Supports Bond

FEBRUARY 4, 1991-by VIRGINIA MORGAN

The 156 voters at the February 4th special town meeting held at Old Rochester Regional High School were in a favorable mood as all 12 articles were passed. With only a scattering of hands casting "No" votes, the first article passed by a 2/3 vote to approve borrowing $250,000 to pay the town's share of the cost of rehabilitation expansion of the Fairhaven Sewer Treatment Plant. The sum of $4,000 will be taken from free cash to defray the cost of borrowing.

A motion to amend the article was made by Stephen Hanna to use $250,000 from the free cash total of $327,757 certified by the state, to pay for the expansion. He said, "The town has this money in free cash, so why shouldn't we pay cash for our share and save the approximately $100,000 in interest charges over the 7 year period of the bond." He added that "our purpose here is to ensure passage. If we transferred free cash we shouldn't have to depend on an override. We are just adding to next year's budget. In the past five or six years free cash has taken on a 'funny meaning' as we've been spending it on budgetary items that don't go away. Prior to this habit, budgets were passed before overrides; free cash was spent on projects like this (sewer plant expansion)."

After some discussion and explanation by Finance Committee Chairman Robert Banz, the motion to amend was defeated, with a scattering of hands favoring. Mr. Banz explained "we (the finance committee) did consider free cash to defray this cost, but decided against it for several reasons: the fairly long life of the project spread our cost even though interest charges would

have to be paid for seven years, and we believe this is one of the few ways we will get through this fiscal year without overrides. The speaker (Mr. Hanna) is correct - the $250,000 should be available but it would leave us with zero free cash and little flexibility."

In response to a question, "do we owe this right now or is it a long-time payment", Mr. Banz said the obligation is due now and in fact, overdue. Selectmen Chairman John DeCosta added the payment is long overdue and interest is increasing. "We asked for the added 250,000 gallon per day capacity, the expansion has been built and we have a moral and legal obligation to pay our share", Mr. DeCosta said.

Water/Sewer Superintendent William T. Nicholson explained the map which was on view in the school lobby showing the areas on the shores where shellfish areas are currently closed or endangered and also areas of future proposed sewer extensions. The areas of proposed extension are Ned's Point, Park Street and Acushnet Road. He noted drainage is poor in the Park Street area and eventually drains out into the bay. He asked for, and received, permission to have Dennis Luttrell, executive director of

the Buzzards Bay Action Committee, speak on the environmental reasons for sewer expansion for Mattapoisett. He read several letters from other agencies also urging passage of the article to improve the cleanliness of the inner harbor and Buzzards Bay.

Betty Ann Cusick of 15 Pleasant View Avenue said she doesn't have town water or sewerage. "My area wouldn't receive sewerage in my lifetime, I was told by a town official. This is unfair to myself and others who aren't going to receive it, so why should we pay for it. Users should assume the cost of this." Mr. DeCosta explained all operating costs are passed to users; construction is paid by town-voter approved taxes.

Selectman Daniel O. Mahoney said he felt the point has been made that the significance of sewer expansion is to benefit the entire town. "We should take a broader view on the harbor and Buzzards Bay - these are our assets for everyone." Mr. Mahoney commented to Mrs. Cusick, "It would follow that if you had no kids in school you wouldn't pay taxes for the schools."

A voter asked what if voters turned it down. Mr. DeCosta said "we have a moral and legal obligation with Fairhaven and we've paid some money. If it is turned down, it will be up to Fairhaven whether to take action. Fairhaven could sue us."

Moderator R. William Blasdale asked Finance Committee Chairman Banz to explain use of free cash. Mr. Banz explained many communities in Massachusetts plan to have free cash for unexpected costs. "We usually

close each year with no free cash. Free cash is a very useful commodity to get the job done well of running the town."

Mr. Mahoney added, "It sounds attractive to pay cash all at once. Some articles here tonight will need free cash. We are concerned with state aid, plus for a certainty, we will need it for the annual town meeting. We have future obligations - the known and the unknown. We have no reserve fund. We have two union contracts in negotiation and if we end up with overrides, we will have one unhappy community. I urge we must go the way of using free cash."

Alan Vaitses asked the superintendent what's stopping a developer from coming in and taking up the sewer expansion and not the needed areas. Mr. Nicholson said that when any proposal comes to the commissioners from developers "we insist the town must benefit. The developer has to agree with the commissioners that it will be in the best interest of the town for houses to tie in or leave sewer connection available. It's a give and take situation."

A $350,000 bond was approved for the wharf repairs, but with funds for payment coming from the Waterfront Enterprise Fund and only needing voter approval to spend the money with no effect on the tax rate.

The $4,000 to defray cost of borrowing will come from free cash. The bond will be for 10 to 15 years.

Michael Dahill of the Harbor Advisory Committee said the Enterprise funds come from stickers and mooring fees, wharf docking fees and excise taxes on boats.

Also, the sum of $11,320.05 was voted to be taken from the Waterfront Enterprise Fund to pay K.D. Tripp, Inc. for the work of repairing the town wharves in November 1990. Selectman Mahoney explained due to an oversight of the Harbor Advisory Committee, Selectmen and the Harbormaster, the public bidding law was not followed on the work for repairs for public work of more than $5,000, which requires competitive bidding. This is a moral obligation; the pilings were repaired and there is no question the project was well done.

The Finance Committee was voted approval to increase its membership from five to seven members. Chairman Banz explained the task to assemble the budget is getting complicated. "We are trying to do a better job and this means attending more meetings. This is time consuming. We would also like to look ahead at a long-range capital plan. Seven members will provide talent to do the job."

Voters passed an article to allow the Board

of Selectmen to consider a Saturday for the annual town meeting. The enthusiasm for a possible Saturday meeting wasn't overwhelming. Even though Moderator Blasdale expressed his opinion at a previous meeting, saying "it's a lousy idea", he would go along with voters' approval.

Mr. Mahoney said the proposed change in the by-law would read, in part, "the annual town meeting shall be held on such day in May of each year as the selectmen determine". The election day for town officials will not be changed from the first Tuesday in April.

Presently, the annual town meetings are held the third Monday in May. The change was proposed, Mr. Mahoney said, to see if there is any interest in a Saturday town meeting. The suggested time is 9 to 12 with a lunch break at the ORR High School, then continued from 1 to 4 p.m.

Carol Kaner said there has been a difficulty for people with children who have to get sitters for several nights, and it's also difficult for elderly people to come out at night.

It was voted unanimously for the transfer of $7,000 from the Water Enterprise Fund assistance in the Water Department in compiling information and preparing necessary reports and data for the filing of Comprehensive Water Management Act Permit as required by the state DEP.

Superintendent Nicholson explained the state requires the town to register the amount of water taken out of the Mattapoisett River Valley. "We now take about 420,000 gallons

How is good vision like an old saying?

How much trust would you have in a doctor who had two for one sales on gall stone operations? Not much, would you? Well Oxford Family Eye Care feels the same way about eye care. Unlike the franchises, we at Oxford Family Eye Care look at ourselves as a health care service - not a retail operation. Good vision is too important to be reduced to two for one sales. This health care approach has been our tradition. When you come to Oxford Family Eye Care you'll find a wide selection of frames, but more important, your prescription will be filled accurately and quickly. We also offer EMERGENCY SERVICE. Oxford Family Eye Care has always taken vision seriously, because we know that like an old saying, good vision can too easily be taken for granted.

per day, and we have to get permits for additional withdrawal of water. There is more paperwork, and we need help to get the correct information to the state."

Starting with $327,757 in free cash, voters approved taking $40,000 for the reserve fund. Other funds voted from free cash included: $2,908.05 to pay unpaid bills; $21,269.24 to supplement the fiscal 1991 budget; $7,500 for a storage area in the new police station for town books and records; $3,000 to set up a town recycling/compost at the sanitary landfill. Including the $8,000 voted to defray the cost of borrowing money for the sewer plant expansion and wharf repairs, $82,677.29 will be taken from free cash.

Before the meeting closed, Bradford Hathaway commented, saying, "We don't know yet what it will cost for what we voted last May. We've only received a tax estimate bill. Where do we stand? Will we know what it is by our next annual meeting in May?"

Selectman Mahoney said there is a continuing dispute among MMC, Inc., the agency who did the revaluation, the town assessors and the state. "Assessments are a bit of a disaster. Our town assessors feel improper methods were taken by the outside agency. Therefore, payment has been withheld. We won't know the tax rate until the state approves our assessments. Personally, I'm concerned a lot of people will feel

certain areas are inappropriately assessed and some will be too high. We may have to allow for abatements. We'll keep you informed on assessments and the tax rate." He noted the town has to be reassessed every three years. "There has been a downturn in value. Our concerns are evaluation and the fiscal 1992 tax rate."

Before the business of voting began, Moderator Blasdale asked for a moment of silence in memory of departed town meeting members and a prayer for all those serving in the Persian Gulf and their families.

Voters Pass Expansion Override

Although only 16 percent of the town's 3962 registered voters went to the polls Thursday, February 7th, the favorable vote for a debt exclusion of a $250,000 bond issue for Mattapoisett's share of the expansion and rehabilitation of the Fairhaven Sewer Treatment Plant has solved a lot of potential problems for town officials.

The vote was 475 yes, 167 no and 2 blanks for a total of 644 voters casting ballots.

At the February 4th special town meeting selectmen expressed their concern with the legal and moral obligation the town has for the expansion Mattapoisett agreed to. The debt exclusion allows Mattapoisett to pay a

Q. **I remember reading that sports performance can give clues to vision problems. As a coach, what symptoms might I be able to spot?**

A. You're right. Symptoms that may appear include playing worse rather than better even after much practice; frequently missing easy plays; squinting; inconsistent performance from game to game; making late game errors; and difficulty playing under lights indoors or outdoors.

Symptoms that might be noticed among baseball or softball players include frequently striking out; swinging too early or too late; missing pop flies; and having difficulty fielding the ball.

If you notice these symptoms, suggest your player get a thorough eye examination covering eye health, vision problems and the vision skills used for sports.

Sometimes, though, there are no clues to a vision problem or a need to sharpen vision skills. That's why regular eye examinations are so important.

Town Meeting Moves to Saturday

MATTAPOISETT SELECTMEN'S MEETING
FEBRUARY 5, 1991-by VIRGINIA MORGAN

A Saturday in May is planned for the annual town meeting, but which Saturday is another problem. Tentatively set for May 18th, plans have been changed because the auditorium at Old Rochester Regional High School will be unavailable. Another date will be announced later.

Voters at the special town meeting February 4th approved allowing selectmen to hold the annual town meeting on a Saturday in place of the previous third Monday in May. This is an experiment, said Selectman Daniel O. Mahoney. "We wanted to give it a try."

In other business, Selectmen:

NAMED Gail Dunn and Carol Fetela to the Mattapoisett School Building Needs Committee following a joint vote by Selectmen Chairman John DeCosta, School Committee Chairman Clara D. Morgan and Moderator Blasdale.

The full committee includes Peter Briggs, Elizabeth Smith, Mark Whalen in addition

DENIED A REQUEST from North East Nacra Sailing Association to launch 15 to 20 catamarans from the town beach at Reservation Road, proposed to be held June 22nd and 23rd.

A letter will be sent explaining the denial based on the small (40 foot) town-owned beach and the narrow, busy road to the Reservation Golf Club and the YMCA Camp Massasoit.

MET WITH THE PLANNING BOARD to discuss the February 14th public hearing and the special town meeting on March 26th on proposed zoning changes.

Planning Board Chairman William Matthews said the minor changes the board has made following the previous meeting when summer residents objected so strongly to changes should "take the burr out of the saddle" for summer people and obtain the same policy. The February 14th hearing will be held at 7 p.m. at Old Hammondtown School. The special town meeting will be held at 7:30 p.m. at ORR auditorium.

ST. GABRIEL'S LENTEN SERIES

St. Gabriel's Episcopal Church, Marion will hold a series of talks during Lent which will be conducted by the Rector, the Reverend Ernest Cockrell, entitled "Sama", which is the Hebraic word for "Listening". These will take place in the Library of the church on Wednesday evenings, February 20th, February 27th, March 6th and March 13th from 7:30 to 9:00.

This past summer from July 18th to August 3rd, Mr. Cockrell traveled through the West Bank and Gaza strip, Bethlehem, Nazareth and parts of Jerusalem and the Old City of Jerusalem, interviewing lay people, clergy and leaders of the Jewish peace movement. This program is the result.

His journey took place under the auspices of the Peace and Justice Commission of the Episcopal Diocese of Massachusetts and its Bishop, The Right Reverend David Johnson.

The program will be used not only in the Episcopal Diocese, but also throughout the National Episcopal Church. There will be four sessions of "Listening" and discussion along with background information (entitled Palestine 101) as well as a verbatim

Messages of Thanks

THANK YOU

A sincere thank you to my family and to friends from near and far away who sent so many good wishes for my 100th birthday.

Thanks to the teachers and children of the second grade for the birthday banner, and greeting cards the children made; to the group from the Junior High school who baked a delicious cake; the entire staff of Meals on Wheels and the Board of Selectmen. All helped to make my birthday special and I thank everyone again.

Memorial Scholarships Offered

Applications are available for the Mattapoisett Congregational Church Memorial Scholarships. Two scholarships of $500.00 each will be given. To be eligible an applicant must be a resident of Mattapoisett, Marion, or Rochester, but need not be a member of our church. Applicants must be seniors graduating in June or a previous high school graduate who has applied for, or is re-entering, an accredited post-secondary education program.

Applications are available in the Mattapoisett Congregational Church office, 27 Church Street, Monday through Friday between the hours of 9 a.m. and 12 noon.

Anyone interested in contributing to the Scholarships Fund is encouraged to do so at anytime. Donations may be made to celebrate happy occasions such as special birthdays and anniversaries, as well as honoring the memory of a loved one.

SHELL WORKSHOP

Our shell workshops are scheduled for each Wednesday through February 20th at Village Court, from 1:30 to 3:00 p.m. Different items are created each week, which means that seniors can join in at anytime. Why not join us -- call the Council, 758-4110, 9:00 a.m. to 12:00 noon. We will provide transportation.

VAN TRIP-FLOWER SHOW

On Wednesday, March 13th, the van will be going to the New England Spring Flower Show at Bayside Exposition Center in Boston. The total cost for transportation and entrance fee will be $12.00. We have twelve spaces left; call the Council to reserve space.

FREE TICKETS

The Mattapoisett Arts Lottery has generously supplied us with complimentary tickets to the Tri-County Symphonic Band's concert, "A Salute to Ireland", to be distributed to our seniors. This will be held in the auditorium of Old Rochester Regional High School on Saturday, March 9th, at 8:00 p.m. Please call the Council (758-4110) if you would like to attend.

VOLUNTEERS NEEDED

The Council on Aging is looking for volunteers to prepare food a few times each week for seniors who need help. They can either prepare a meal at the senior's home or at their own home and deliver it to the senior.

We also need a volunteer shopper to go on the van each Friday morning to assist a fragile senior with her shopping. This would require about three hours each week. Please call 758-4110 if you can help us.

Project GROW Screening

A screening clinic will be held this Friday, February 15th, at the Sippican School in Marion. The screening is offered to three and four year old children residing in the towns of Marion, Mattapoisett and Rochester. The purpose of the screening is to identify young children with potential learning problems.

Project GROW staff will conduct the screening in the pre-school classroom at the Sippican School.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination,

La Leche League

Pregnant women and new mothers are especially invited to join us at the next meeting of La Leche League of Wareham, which will focus on childbirth, the early days and weeks with a breastfed baby, and adjustments the family makes after the baby's arrival. The meeting will be held on Wednesday, February 13th, at the home of Brenda Robinson, 23 Windy Hill Drive, West Wareham; arrival time is 7:00 p.m., the meeting will begin at 7:30.

The last months of pregnancy are the ideal time to get questions answered about breastfeeding and meet other mothers who have established an enjoyable nursing relationship. The informal monthly meetings of La Leche League provide support, encouragement, and practical information. LLL offers many information sheets and reprints, a lending library of books on childbirth, child care, and breastfeeding, and some

Hospice Training, St. Luke's

TRAINING PROGRAM BEGINS IN MARCH

Hospice of St. Luke's Hospital of New Bedford is seeking volunteers who want to help terminally ill patients and their families. A training program for new volunteers is scheduled for mid-March.

The Hospice volunteer provides support and practical assistance to persons in the terminal phase of an illness for the family. The training program prepares volunteers to gain insight, to be supportive listeners, to learn about the process of death and grief, and to learn ways to assist terminally ill patients and their families.

Anyone interested in the Hospice training program should call Edie Vaughan, Hospice Volunteer Coordinator, at 997-1515, extension 2737.

Police Chiefs Support Jimmy Fund

POLICE CHIEFS DONATE
TO DANA-FARBER'S JIMMY FUND

The Massachusetts Chiefs of Police Association recently made a generous gift of $140,000 to the Jimmy Fund of Dana-Farber Cancer Institute. This gift is the result of the Association's recent state-wide sustaining membership drive and brings the Association's six-year total to more than $960,000. The funds will be used to support the institute's work in research and treatment of cancer in children and adults.

Synchronized Swimming, YMCA

Synchronized swimming is an activity that combines the athletic skills learned in swimming with the grace, agility, and creativity of dance. Synchronized swimming classes emphasize watermanship and fun and introduce the students to a lifetime activity. Synchronized swimming skills help the student experiment with different body positions in the water and achieve higher levels of physical fitness. Synchronized swimming will be offered on Fridays from 5 to 6 p.m. Registration for Spring I Session began on February 11th for members and will begin on February 25th for the general public. Trauma of War - Counseling

Operation Desert Storm affects each of us. In some individuals the effect reflects upon our ability to deal with every-day events.

Children sometimes react more intensely to situations outside of their control. This can influence their school work as well as family relationships. New Bedford Child and Family Service is aware of the turmoil war can cause on individuals especially children.

New Bedford Child and Family Service offers a full range of counseling services to children and adults. For information please call 996-8572.

KNIGHT DAY
FEBRUARY VACATION PROGRAM

What did the Knights of the Round Table wear? What sports did they play and what foods did they eat? Find the answers to these questions and more at Knight Day - a special February vacation program sponsored by the Wareham Recreation Department. The program will be held at the Memorial Town Hall, Wareham on Tuesday, February 19th, from 3:00 to 4:00 p.m.

Knight Day will give your 6 to 12 year old a chance to make his/her own sponge battle axe and shield which will be worn to the "Knight's Tournament". The tournament is a series of games and contests that the Knights enjoyed and your child will enjoy them too.

Pre-registration is required for this fun hour of crafts, games and skits. To register stop by the Recreation Office, ground floor of the Memorial Town Hall, Wareham. For more information contact Carolyn Lynch at 291-3186.

abling women to develop their own strengths, presents an opportunity for children ages 5-12 to enjoy a week of fun during the February 19-22 school vacation.

The Vacation Camp-In will be held at the YWCA, 66 Spring Street, New Bedford from 9:30 a.m. to 5:30 p.m. February 19th, 20th, 21st and 22nd. Campers will enjoy swimming, crafts, cooking, gym games, movies and more. Non-members are welcome. Cost is $10.00 per day for YWCA members and $12.00 for non-members. There is a 10% sibling discount for additional children from the same family. A $10.00 deposit is required to reserve space.

Care for children who must be dropped off between 7:30 and 9:30 a.m. is also available for an additional $2.00 per day.

How Not to Kill Your Battery

When the temperature goes down, car battery power goes down, too. Even a fully charged battery delivers only 40 percent of its power at zero degrees -- which may not be enough to turn the engine over, especially if it's out of tune.

AAA (American Automobile Association) tells you what you can do to help prevent a dead battery:

* Park in a garage whenever possible. Otherwise, try to park heading south, or along the south side of a building, using it as a windbreak.

* When the engine is warm (not hot) cover the hood with a blanket (preferably one that reaches all the way to the ground).

* A trouble lamp with a 100 watt bulb mounted on a wide board can be placed on the ground under the oil pan. The heat will then be held in the engine compartment and make starting easier. Remember to remove it before driving away.

* Keep your fuel tank three-quarters full and add a can of dry gas every other fill-up to reduce the chance of fuel-line freeze-up (on late model cars check owner's manual).

* Use an approved engine heater. Various kinds are available, including some that permanently attach to the engine. They plug into house electrical current.

When the weather forecaster warns of impending cold weather, AAA has this tip to improve your chance of starting the next day: Before turning in for the night, go out and start your engine -- run it at a fast idle for about ten minutes. This will help charge the battery and might make the difference you need to start it the next morning.

Workshop on Sales

MOTIVATION BY DYNAMIC SPEAKER

Southeastern Massachusetts University's Small Business Development Center has scheduled a dynamic three-hour workshop entitled "Sales - Putting Your Best Foot Forward" for February 20th from 9:00 a.m. to 12 noon at the Wamsutta Club, 427 County Street, New Bedford.

Workshop instructor John T. Scanlon, President of Scanlon Associates, has worked in the field of professional sales and marketing for over 30 years.

Tuition is $25.00 per person. Seating is limited, so early registration is encouraged.

For more information or to register call the Small Business Development Center at 673-9783.

Fin, Fur and Feather Club

The Fin, Fur and Feather Club of Mattapoisett will hold a 10-week winter outdoor archery league to begin on February 17th and run every Sunday morning (10 a.m. to noon) through April 31st. All shooting will be at 20 yards with six arrows per relay.

Entry is $1. and re-entries are $1. Your best score of the day will be posted for that week and the top three places at the end of the league will be determined by adding your five best weeks. Trophies will be awarded at the league's end. For more information call Richard Bertrand at 996-6867 or 763-8494.

ORR Art Students

Nine students from ORR have entered the Boston Globe Scholastic Art contest. This is the first phase of the National Scholastic Art Contest. The following students are participating: Phil Andrews, Steve Trezon, Jeff Taylor, Dan Sylvia, Sean Ellis, Bill Oliver, Jason Craver, Jennifer Smola, and Robert Reed. Art work from ORR students includes entries in charcoal, pastel, oil and ceramics. In addition, four of the students are participating in the photography portion of the contest. The judging for the contest will be completed by the week of March 26th. An exhibit open to the public will begin on March 30th at the Fuller Museum of Art, 455 Oak Street in Brockton.

SELECTMAN SPEAKS TO STUDENTS

Rochester Selectman Frederick Underhill was a guest speaker at Old Colony Regional Vocational-Technical High School last week. Mr. Underhill stressed to students in Raymond Cabral's ninth grade civics class that town meetings only work if residents become involved in the process.

The town meeting format of local government, which continues only in New England, is "probably the purist form of local government that exists today", Mr. Underhill said. "If they don't come and vote and participate in town meetings they don't have a lot to complain about", he added, underscoring the importance of participatory government.

Mr. Underhill overviewed the complex financing procedures towns must adhere to and the issues which must be weighed in terms of taxes and services, especially as they are tied to state or federal regulations.

The class will continue its study of government as Representative John Bradford and

OLD COLONY VICA WINNERS

Old Colony Regional Vocational-Technical High School recently completed its local VICA competition for 1991. VICA, Vocational Industrial Clubs of America, provides opportunities for vocational-technical students throughout the United States to compare their skills in all trade areas.

Old Colony students who placed first, second or third are eligible to compete in the District competition scheduled to be held on February 27th in Plymouth.

Old Colony students will be competing in Automotive Machining, Automotive Service Technology, Baking, Carpentry, Cosmetology, Culinary Arts, Electronics, Drafting, Electrical, Health Careers, Precision Machining, Welding, Desktop Publishing, Graphic Communication, Typing, Data Processing, and Word Processing. Winners in Plymouth will be eligible for state competition. There are four Districts in Massachusetts.

In addition, four students have already qualified for state competition in ancillary areas. These students will compete in the areas of extemporaneous and prepared speech.

Among the winners were: from Rochester: Brandon Bacchiocchi, second place, Architectural Drafting; Peter Normand, first place, Precision Machining; Robert Joyce, third place, Precision Machining; Paul Bessey, second place, Welding; from Mattapoisett: Jonathan LaFountaine, third place, Auto-

STUDENTS RENOVATE ROCH. TOWN BARN

Recently students from the Old Colony Regional Vocational-Technical High School renovated the Rochester Town Barn. This was a joint effort by members of the House and Mill Department and the Electrical Department under the direction of instructors Robert Francis and Michael Forand. The House and Mill students removed the old garage doors and replaced them with new walls and windows. They also insulated the building and replaced rotted timber with new timber.

The electrical students' work included a new 200 amp service, power and light circuits and an alarm system.

Vocational-Technical High School in Rochester presented their version of "A Christmas Carol" to residents of Alden Court Nursing in Fairhaven.

The Scrooge, Tiny Tim, Bob Cratchit, Mrs. Cratchit and Ghost costumes were donated by Elaine's T-Shirts and Sportswear Shop in New Bedford.

Students finished with a rendition of "We Wish You a Merry Christmas". Alden Court residents enjoyed the mini-production and invited the students to perform again in the future.

NEWSPAPER STAFF ATTEND GLOBE SEMINAR

Representatives of the Old Colony Spirit Newspaper staff recently attended The Boston Globe Journalism Institute Seminar for High School Editors. Chief Typist Michelle Brassil and Assistant Editor Becky Rudolph attended the symposium with their advisor, Mr. Michael McCormack.

After a welcome by Institute Director Barbara Dion, the high school journalists became involved in an open discussion on legal views of Freedom of the Press in schools presented by News Media Specialist Malcolm Barach. Comparisons and practical examples were debated during the stimulating one-hour long segment.

The second part of the day-long symposium featured Reporting and News Writing and was presented in both a colorful and function-

"ROMANCE OF THE ENGLISH GARDENS"

"Romance of the English Gardens" will be the subject of a Valentine's Day lecture and slide presentation by Professor Derek Bradford at the Rotch-Jones-Duff House & Garden Museum.

On Thursday, February 14th, Valentine's Day at 3:00 p.m. Professor Derek Bradford, an Englishman by birth, will present a lecture and slide presentation derived from his first-hand knowledge of designed landscapes and gardens of Great Britain. Currently an instructor of architecture and landscape architecture at Rhode Island School of Design, Professor Bradford has led tours abroad on the English country house and garden. He is particularly knowledgeable in the design theories of the English Arts and Crafts Movement which was greatly inspired by the designer/artist William Morris. This movement was, in part, a reaction to

the new technology of the late Victorian period. It sought a return to the values and romance of medievalism.

Professor Bradford's slide talk on the "Romance of the English Garden" illustrates, among other aspects, the influence of the romantic period on landscape and garden design in England.

A Holiday Tea will be served immediately following.

The Valentine's Day special event is offered to the general public at $5.00 per person. Members of the Museum may attend for $4.00. Reservations are recommended. The Museum office telephone number is 997-1401.

The Museum is located at 396 County Street, New Bedford.

Water, water everywhere.

Except here.

On an earth that's 70% water, it's nice to know River Boots are 100% waterproof. Unlike traditional rubber bottom boots, their uppers are permanently bonded (not stitched) to the rubber outsoles, and they feature a moisture-wick comfort lining to keep your feet dry and comfortable.

Lace or pull-on, as shown ...

Riverboots in styles for men and women.

They pick up where roads leave off.

Where other boots reach the end of their road, Lightweight Hikers keep right on going. Thanks to their Suede/Nylon uppers, full rubber mudguards, and removable, double-density EVA innersoles. Lightweight. Comfortable. Durable. Every hiker should pick up a pair. These for women, but we have Lightweight hikers for men, too.
